Páistí ag teacht deireanach ar maidin / Children coming late to school in morning:

Bíonn a lán paistí ag teacht isteach deireanach ar maidin. Seo cúpla pointe smaoineamh ar ma bhíonn tú deireanach go minic. Déanfaimid ar fad iarracht mór tar éis na Casca le bhur dtoil.

We have several kids coming late most mornings. Can we all make an extra big effort before & after holidays to arrive in school @ 09.10am ready for class at 09.20am. A few points to consider when late.

Bíonn náire ar na leanaí	<i>Children are embarrassed coming in late.</i>
Ní bhíonn aon am acu socrú isteach sa chlós	<i>No play time in yard to prepare for school day.</i>
Tógann sé am breise don mhúinteoir iad a shocrú isteach sa seomra ranga.	<i>Class teacher requires extra time to settle your child into classroom.</i>
Ullmhúcháin don todhcháí	<i>Future preparation /employment etc.</i>

Páistí roimh & tar éis scoile/ Children's Safety before & after school: Tá sé ar fheabhas go bhfuil iarracht iontach a dhéanamh ag na leanaí siúl ar scoil & abhaile & chuig an páirc súgradh. An bhféidir libh ar fad labhairt le bhur bpáistí faoi sábháilteacht ar bhóithre. Tá se tógtha faoi ndeara go mbíonn foth dhuine ag rith trasna an bhóthar gan fanacht leis an fear glas!! Chomh maith abair leo fanacht ar an gcosán & gan dul tríd an ionad spóirt.

*Gaelscoil children make a wonderful effort walking to & from school & after school we have a large contingent going to the playground. How ever it has been brought to our attention that some children are not being cautious enough crossing the main Cork Rd, at playground. Please talk with your child about road safety and waiting for green man especially. Also ask them **not** to go down via sports centre but to stay on main path on right of road.*

Laethanta Saoire na Casca Aoine 12 a chlog. Easter Hols this Fri 12th @ 12pm sharp.

Guímid Saoire iontach oraibh go léir.

Mise le meas, Aisling
