## Aguisín 1 Leideanna praiticiúla ar conas cultúr dearfach scoile a chothú

- Tabhair dea-shampla d'iompar ina léirítear meas do gach ball de phobal na scoile i ngach caidreamh a bhíonn agat leo.
- Múin do na daltaí go sainráite an rud is teanga a léiríonn meas agus iompar a léiríonn meas ann, an tslí ina gcuirtear in iúl é, an tionchar a bhíonn aige sa seomra ranga agus ar fud na scoile.
- Cuir teachtaireachtaí láidre measa ar taispeáint sa seomra ranga, in áiteanna tionóla agus ar fud na scoile. Bíodh na daltaí bainteach le dréachtú na dteachtaireachtaí.
- Beir orthu agus iad á n-iompar féin i gceart - tabhair aird ar an gcineál iompair atá uait agus mol é nuair a fheiceann tú é.
- Téigh i ngleic ar shlí chomhsheasmhach le haon teanga idirdhealaitheach agus maslach a úsáidtear sa scoil – áirítear air sin teanga homafóbach agus ciníoch agus teanga a dhéanann beag is fiú de dhaltaí atá faoi mhíchumas nó a bhfuil riachtanais speisialta oideachais acu.
- Tabhair aiseolas cuiditheach do dhaltaí nuair nach mbíonn iompar agus teanga a léiríonn meas le sonrú uathu.
- Bíodh córas spreagthaí agus luachanna saothair ann chun iompar inmhianaithe a chur chun cinn mar aon le géilliúlacht do rialacha agus do ghnásanna na scoile.
- Múin go sainráite do na daltaí conas meáin shóisialta a úsáid ar shlí fhreagrach.
- Tabhair spreagadh do na daltaí chun géilleadh do rialacha na scoile maidir le húsáid fón póca agus an Idirlín. Déan obair leantach le daltaí nach dtugann aird ar na rialacha.
- Tabhair ról gníomhach do thuismitheoirí agus/nó do Chumann na dTuismitheoirí i bhfeachtais chun feasacht mar gheall ar mheáin shóisialta a mhúscailt.
- Leag béim ar an gceart atá ag gach duine i bpobal na scoile ar a bheith slán sábhálte sa scoil.
- Múin rialacha na scoile go sainráite sa seomra ranga agus in áiteanna tionóla i dteanga a thuigfidh na daltaí, agus cuir béim ar na rialacha sin.
- Féadann gach ball foirne a bheith san airdeall chun aon iompar bulaíochta a thabhairt faoi deara.
- Cinntigh go bhfuil dóthain maoirseachta sa chlós agus lasmuigh den scoil.
- Féadann foireann na scoile comhairle a fháil ó na daltaí faoi na háiteanna is mó ina dtarlaíonn bulaíocht agus faoi na hamanna ag a dtarlaíonn sé.
- Is gnách do na háiteanna is mó ina dtarlaíonn bulaíocht a bheith sa chlós agus lasmuigh den scoil, i seomraí gléasta, i ndorchlaí agus in áiteanna eile inar beag maoirseacht a dhéantar.
- Is gnách bulaíocht a bheith coitianta nuair nach mbíonn maoirseacht struchtúrtha ann, mar shampla nuair a bhíonn daltaí sa chlós nó ag athrú seomraí ranga.
- Tacaigh le bunú comhairlí scoile agus lena gcuid oibre.

## Anti-bullying policy

2021

(Béarla)

- 
1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Gaelscoil Dr. Uí Shúilleabhaín has **adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.
  2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:
    - A positive school culture and climate (appendix 1) which
      - is welcoming of difference and diversity and is based on inclusivity;
      - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
      - promotes respectful relationships across the school community;
    - Effective leadership
    - A school-wide approach
    - A shared understanding of what bullying is and its impact
    - Implementation of education and prevention strategies (including awareness raising measures) that-
      - build empathy, respect and resilience in pupils; and
      - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;
      - effective supervision and monitoring of pupils;
    - Effective supervision and monitoring of pupils
    - Supports for staff
    - Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
    - On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*.

4. The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

- Class teacher(s) initially
- Principal thereafter if necessary

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying, homophobic and transphobic bullying) that will be used by the school are as follows:

**School-wide approach**

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it - prevention and intervention.
- Professional development with specific focus on the training of the relevant teacher(s)

- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra-curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- Involvement of the upper classes in contributing to a safe school environment e.g. Buddy system, mentoring, Lunchtime Pals and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of an Anti-Bullying code for the school- displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s)s and is readily available on the school website.
- The implementation of regular whole school awareness measures e.g. a dedicated poster in the school and classrooms on the promotion of friendship, and bullying prevention; annual Friendship Week and parent(s)/guardian(s) seminars; student surveys; regular school or assemblies by principal.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
  - Direct approach to teacher at an appropriate time, for example after class.
  - Hand note up with homework.
  - Niggle/worry box
  - Get a parent(s)/guardian(s) or friend to tell on your behalf.
  - Administer a confidential questionnaire once a term to all pupils.
  - Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
- Parents/guardians are encouraged approach the class teacher if they suspect that their child is being bullied. If they are unhappy with how the behaviour is being dealt with, they should then follow the protocol as laid out in the schools parent/staff communication policy.
- The school has an Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored. Mobile phones are not allowed to be switched on during class time.

#### **Implementation of curricula**

- The full implementation of the SPHE curriculum and the RSE and Stay Safe Programmes.
- Continuous Professional Development for staff in delivering these programmes.
- School wide delivery of lessons on bullying from evidence based programmes, e.g. Stay Safe Programme, The Walk Tall Programme.
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.
- The school will implement the advice in "Sexual Orientation advice for schools" (RSE Primary, see booklet).

#### **Links to other policies**

Other school policies relevant to bullying include the Code of Behaviour, Child Protection, policy, Supervision of pupils, Acceptable Use policy, Attendance, etc.

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

### **Procedures for Investigating and Dealing with Bullying**

**The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);**

**The school's procedures must be consistent with the following approach.**

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

#### **Reporting bullying behaviour**

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

#### **Investigating and dealing with incidents:**

- In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;  
It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the

school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;

- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

### **Follow up and recording**

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
  - Whether the bullying behaviour has ceased;
  - Whether any issues between the parties have been resolved as far as is practicable;
  - Whether the relationships between the parties have been restored as far as is practicable;
  - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

### **Recording of bullying behaviour**

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

#### **Informal- pre-determination that bullying has occurred**

- All staff must keep a written record of any incidents witnessed by them or notified to them. Each teacher will have his/her own incidents book in the classroom. All incidents must be reported to the relevant teacher
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same
- The relevant teacher must inform the principal of all incidents being investigated.

#### **Formal**

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.

- The relevant teacher must use the recording template at **Appendix 3** to record the bullying behaviour in the following circumstances:

When the recording template is used, it must be retained by the relevant teacher in question and a copy maintained by the principal in the office.

#### **Established intervention strategies**

- Teacher interviews with all pupils
- Negotiating agreements between pupils and following these up by monitoring progress. This can be on an informal basis or implemented through a more structured mediation process
- Working with parent(s)/guardian(s)s to support school interventions
- No Blame Approach (pupil behaviour promise)
- Circle Time
- Mediation
- Restorative conferencing
- Implementing questionnaires
- The traditional disciplinary approach
- Strengthening the victim

7. The school's programme of support for working with pupils affected by bullying is as follows:

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g. Buddy / Peer mentoring system, Group work such as circle time etc.
- If pupils require counselling or further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.
- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

#### **8. Supervision and Monitoring of Pupils**

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

#### **9. Prevention of Harassment**

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

10. This policy was adopted by the Board of Management on \_\_\_\_\_ .

11. This policy has been made available to school personnel, published on the school website and provided to the Parents' Association. A copy of this policy will be made available to the Department and the patron if requested.

12. This policy and its implementation will be reviewed by the Board of Management once in every school year (Appendix 4). Written notification that the review has been completed will be made available to school personnel. A record of the review and its outcome will be made available, if requested, to the patron and the Department.

## **Appendix 1 Practical tips for building a positive school culture and climate**

- Model respectful behaviour to all members of the school community at all times.
- Explicitly teach pupils what respectful language and respectful behaviour looks like, acts like, sounds like and feels like in class and around the school.
- Display key respect messages in classrooms, in assembly areas and around the school. Involve pupils in the development of these messages.
